About Us

Automobiles are one of utmost important necessities in the present world and maintaining them is no less as it ensures proper functioning for a longer time period. Every automobile owner desires to get genuine parts being used in maintenance of his/her vehicle. So, providing to garage owners a genuine ambit of garage equipment and helping them retain customers through quality and affordability in price, Falcons Garage Solutions Pvt. Ltd. came into being. Our company was formed in the year 2017 by Mr. Madhu Sudan Sharma. Though not many years have passed, we have managed to get the attention of numerous customers through our reliable garage equipment and timely services. We are holding a reputed position in the Indian market by operating as a trader and serving all quality made equipment, Wheel Balancing Machines, Scrubber Driers, Workshop Tools, Portable Car Washers, Ceramic Coating Applicators, Blue Point Power Tools and many more.

Maintaining a garage with all necessary equipment is a must. Helping garage owners maintain a good stock of equipment is our area of expertise. We are Falcons Garage Solutions Pvt. Ltd., an Ahmedabad, Gujarat (India) based company having specialization in sourcing, marketing and supplying of Wheel Balancing Machines, Workshop Tools, Scrubber Driers, Ceramic Coating Applicators, Portable Car Washers, Blue Point Power Tools and more. Renowned and reliable vendors are our associate partners who help us get a genuine quality stock at reasonable rates. Mr. Madhu Sudan Sharma is the Director of the company and a guide to all experts. Under his guidance, every task is done to perfection.
